

# Learning Garden Wish List

Updated June, 2010

Students will be gardening soon in the courtyard Learning Gardens and we are looking for donations. Specific items are listed on this flyer as well as on the Clifton PTA web page. If you are interested in making a donation, please contact Ann Donargo at [dougann99@hotmail.com](mailto:dougann99@hotmail.com) or (703) 815-7043 for information about how and where to donate.

Thank you for continued interest and future support of this project!

**Volunteer Support** - The gardens are fairly well established now and what we need most is more parent volunteers on student garden days. Gardening experience is NOT necessary, just parents to help supervise and show students what to do.

**1<sup>st</sup> Grade Five Senses Garden** - Plants can be purchased or from your own garden

<u>Common Name</u>	<u>Scientific Name</u>	<u>Need</u>
Daffodils	Narcissus sp.	30 bulbs

**3<sup>rd</sup> Grade Butterfly Garden** - Plants can be purchased or from your own garden

<u>Common Name</u>	<u>Scientific Name</u>	<u>Need</u>
